What is VolunTier?

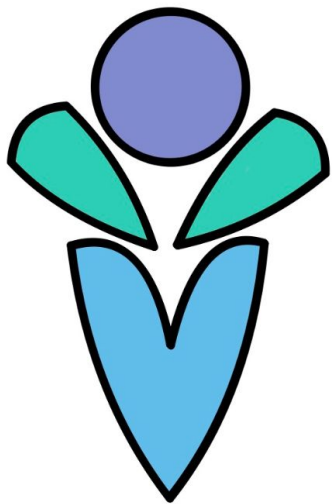

VolunTier is a platform to connect volunteers to nonprofit organizations needing help.

VolunTier gamifies community service by logging the user's hours and rewarding them with badges and achievements on their profile.

VolunTier provides users and organizations a simple platform to schedule, manage, and track community service.

Why VolunTier?

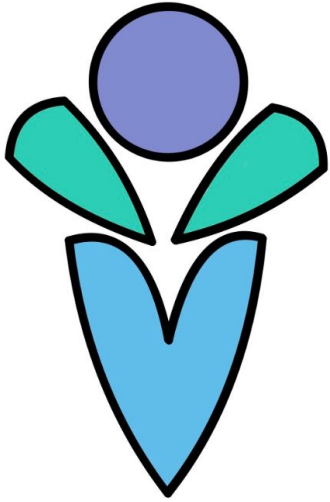

VolunTier

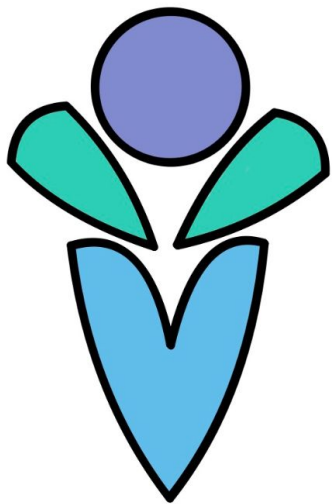

Emphasises the game-like
aspects of the service like
leaderboards, ranks, and
badges

What Problem Are We Solving?

People aged 35-44 and 45-54 are most likely to volunteer (28.9% and 28% respectively) while 20-24 year olds have the lowest rates (18.4%).

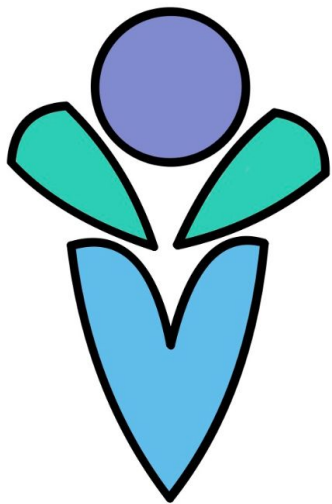

What Problem Are We Solving?

We aim to increase the number of young people participating in community service with VolunTier.

Finding volunteer opportunities can be cumbersome, requiring searching, phone calls, and planning.

VolunTier bridges the gap between young volunteers and nonprofits, with an easy-to-use platform and inviting user interface that incorporates the good parts of social media.

Website Structure

Two types of accounts:

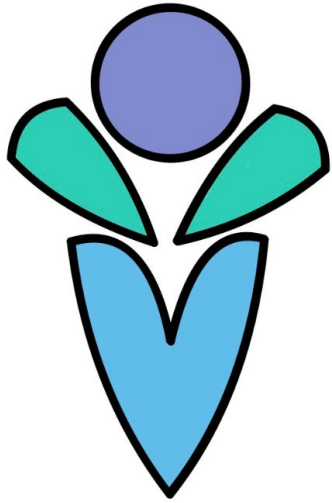

- Nonprofit Organizations
- Volunteers

Nonprofits will be verified and then can post volunteer opportunities, listing the event time, location, and number of volunteers needed.

Volunteer users will then be able to search for volunteer opportunities based on time, location, and nature of the work.

Why will VolunTier be successful?

Simplified the process of advertising and joining volunteer events for both nonprofits and volunteers through a one-stop shared platform.

Earning achievements and seeing friends volunteer will encourage young people to volunteer through positive peer pressure.

VolunTier makes it easy to log and validate community service hours for resumes.

Past successes - Red Cross blood donation app

Impact

Because VolunTier makes it easy to sign up to volunteer and incentivises volunteering, many more hours will be spent helping out in communities across the country.

Through VolunTier, communities across the country will be invigorated with a new generation of volunteers.
